

HS-TF-M1STD-256G-V2

Hikvision Memory Card

TLC Technology

Capacity 256 GB

Class 10 | Write speed 85 MB/s

To 3000 writing cycles

Suitable for video surveillance devices

Hikvision

Micro SD Card

256GB storage

More than 3000 read/write cycles

TLC technology offering potential for increased capacity, performance and stability

Suitable for use in Video Surveillance devices

Long life span

Specifications

Manufacturer	Hikvision
Capacity	256GB
Format	MicroSD
File System	FAT32
Max. read speed	100 MB/s
Max write speed	85 MB/s
NAND Flash	TLC
Compatibility	Compatible with MicroSDHC, MicroSDXC, MicroSDHC UHS-I and MicroSDXC UHS-I
Class	10 U1 V30
Operating temperature	-25° ~ 85°
